

JONES
Jones County Junior College
Alumni Association

This is to invite you to travel with Jones! The JCJC Alumni Association's travel tours offer the experience of a lifetime. Travel with the people you know to places you've dreamed of visiting.

This is a new offering from the JCJC Alumni Association. It began last year when a number of alumni and friends of the college traveled with Dr. Mark Taylor and some of his students to France. They had a wonderful time! So much so, that they wanted to do it again. They raved about it so much that our president, Dr. Jesse Smith, wanted us to invite each of you to travel.

Here are two possible tours for those who love to travel or who have always wanted to travel. You can choose between Italy and Ireland! These tours will be June 2-10, 2009. They are wonderful opportunities for you, your loved ones, and your friends to see something new. Or, maybe you have been before and want to go again.

Why are we offering two trips at the same time? Well, it is quite simple. These are the places that were mentioned most often last year while we were in France as possible destinations for the next trip. And in the event that one of them does not make, you will have the opportunity to join the other.

Please look carefully and see everything that is provided in each trip. (Travel insurance and supplemental health insurance will be extra. We will provide travel insurance information.) If you would like to join us on one of these exciting journeys, please make a \$650 check payable to the JCJC Alumni Association as a deposit for each traveler by October 6, 2008. The remainder will be paid to our travel partner, Educational Discovery Tours. Please complete the following form and send a check for your deposit to:
