3. Advanced Placement Program

Students from cooperating high schools can earn up to 18 semester hours with no more than 6 semester hours or 2 courses in one subject-matter area through the College Board’s Advanced Placement Program. Credit is to be awarded only for scores of 3 or above. The awarding of credit is administered by the Admissions and Records Office. Letter grades are not assigned. “Pass” (P) appears on the transcript for courses in which Advanced Placement credit is earned. Credit awarded is based on the following scores:

a. Scores of No. 1-2: No credit.

b. **Scores of 3 or 4:** Three semester hours credit to be awarded for the course which is best represented in the Advanced Placement Course Description.

c. **Score of 5:** Six semester hours credit to be awarded for the course which is best represented in the Advanced Placement Course Description.

Note: Some Advanced Placement tests cover such specific and well-defined areas that only 3 semester hours credit may be awarded despite a score of 5. Advanced Placement credit awarded by Jones County Junior College may not be accepted by other educational institutions. Students should consult transfer institutions to determine acceptable credit.
