

# **CAREER PRESENTATION INTRO TO BUSINESS**

Prepare a two to five minute presentation about your chosen career. Prepare a one-page summary (two copies/one to be turned in and one for your files) of your topic to be turned in at time of presentation. Use side headings for each topic with a brief paragraph under each heading describing your findings. Must include Name, Date, Period.

Use Internet sites to access information: Go to JCJC Web Page, Other Links, General, Web Resources, Business & Career. Search for Occupational Outlook Handbook; do a Keyword Search in the Handbook for your career choice.

Include the following:

1. Career Choice
2. Educational Requirements
3. Job availability in Mississippi & any other area of the country you choose.  
Use Yahoo or another job site to find one or more jobs in Mississippi or other area of the country. (This will provide you with info about availability in the area).
4. Salary Range
5. Experience Required
6. Professional Requirements (ex. CPA exam, etc.)
7. Future Outlook

**ORAL PRESENTATIONS ARE NOT READ WORD  
FOR WORD FROM YOUR NOTES.**
