Dear JCJC Graduate:

Congratulations on reaching this milestone in your educational career! It is an exciting time for you, your family and your friends. You have reached an important point in your life and I commend you on your tenacity and ability to endeavor to reach this point in your educational process. I encourage you to continually learn and obtain knowledge that propels you forward in your chosen occupation and educational pursuits.

Now we ask for your help. The administration at JCJC asks that you take a few minutes to complete our Graduation Questionnaire. This questionnaire will help us at Jones to better understand how you benefited from your college experiences while you were with us at Jones. This information will help us to continue our efforts in making our educational programs and student services even better. Your views are important to Jones and we encourage you to be honest in your responses about your experiences here at JCJC. This information will be extremely helpful for Jones so our future students may continue to receive the best possible education and services from our institution.

The responses will be grouped statistically, and all of your information will be kept confidential. Your individual name and ID number are not associated with your answers in any way; they are used strictly for research purposes. Please answer all questions. If you wish to comment or qualify any statement, feel free to use the space for General Comments on page two.

Thank you for your help with this project. May you have continued success in your future endeavors.

Sincerely,

Candace Weaver
