Terrell Tisdale Library MISSION AND GOALS

The mission of the Terrell Tisdale Library is to support and enhance the curriculum of the college and meet the educational needs and interests of the college community. This mission supports Jones' institutional goal #4.

In striving to accomplish this, the library has the following goals:

1. Provide appropriate technology to enhance learning, instruction, and information retrieval.
2. Adequately staff learning resource facilities and serve users in a professional manner.
3. Maintain and develop learning resource services that meet the educational needs and interests of the college community.
4. Organize learning resource facilities to ensure accessibility to all in an atmosphere that encourages learning.
5. Provide comprehensive, up-to-date collections of diverse media and formats selected in compliance with sound selection guidelines.

GENERAL LIBRARY POLICIES AND INFORMATION

Book Return

A book drop can be found at the south end of the lobby of the library. It is for use when the library is closed. Overdue materials should be returned to the circulation desk in the library and any fines paid during normal hours of operation. (See Fine Policies and Procedures, p.7)

Closing Time

The library closes promptly at 10:00 p.m. Monday through Thursday nights and 3:30 p.m. on Fridays. Patrons using library facilities or resources should complete their work so that they can leave by those times. Patrons should not wait until closing time to begin collecting their information and belongings.

Conduct in the Library

Since the library is primarily a place for research and study, students are expected to conduct themselves in such a manner that will not disturb others. Students who disturb others will be asked to alter their behavior or to leave the library.

Use of food and drink within the library is discouraged. Library personnel reserve the right to request that food and drink be discarded if facilities are damaged or other patrons are inconvenienced.

Use of cell phones is also discouraged within the library. Library personnel reserve the right to restrict the use of cell phones if other library patrons are disturbed by disruptive ring tones or excessively loud conversations.

Library personnel are the final judges in these instances.

Copy Machines

Coin operated copiers are located in the Periodicals Room. These machines can copy normal size and make both reduced and enlarged copies. Students may do their own copying at a cost of ten cents per page. Nickels, dimes, quarters, and dollar bills are accepted by the machines, and change is available at the circulation desk, if needed.

NOTICE: *The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies of copyrighted material. The user of the copying machine is liable for any infringement.*

Printing

Terrell Tisdale Library is pay-per-print environment. Each student will receive \$2.50 in print credit per semester. Each black and white print costs 10 cents, and each color copy costs 50 cents. Additional money can be placed on the student's Jones Onecard through a Feed Phil machine located on the first floor of the library or at the Business Office located in room 242 of the Administration Building. You must have a Jones Identification Card or a debit/credit card to print in the Library.

Equipment for the Disabled

The library recognizes the rights and needs of people with disabilities to equal access to library materials. Tables in various study areas have been identified to accommodate wheelchairs, including general seating and computer areas.

Visually or physically disabled students who have difficulty obtaining materials from shelves should feel free to ask for assistance from library personnel or student assistants at the circulation desk.

Identification Cards

A Jones Onecard or Alumni Association membership card must be used to check out library materials. Students are issued a Jones Onecard by the college. The patron is fully responsible for items checked out in his or her name. (It is a violation of college regulations to possess or use another person's Onecard.)

Interlibrary Loans

Books and periodical articles not available in the library may be obtained from other libraries and agencies. The library shares resources with other Mississippi libraries and with libraries that participate in OCLC, a regional database. There may be fees charged by the lending library. Please check with library personnel for more information regarding this service.

Lost and Found

The Circulation Desk serves as the Lost and Found location within the library. Valuables that are not claimed are turned into the Student Affairs office in the Administration building.

Orientation to the Library

Patron orientation to the library and its services is provided to all Comp II classes and to other faculty and students upon request. Patrons may request individual assistance at the circulation desk.

Study Areas

With the exception of the Periodicals Room, the library has been designated as an Individual Study Area. No noise of any sort is permitted in the Individual Study Areas. Groups sitting together and talking in these areas will be asked to move to the Periodicals Room. Groups may sit together and speak in low tones in the Periodicals Room as long as they do not disturb others in the area.

Library personnel will be the final judge in such cases.

Computers

Personal computers with Internet access are available in the library. First priority for use of this equipment goes to JCJC students, faculty, staff, and current alumni. If there are open computers available, community members are welcome to use them as well. Computer equipment is accessible to the disabled. Individual software programs cannot be loaded onto these computers. Computer users are expected to observe policies listed in the Jones Junior College Electronic Use Policy posted in the Periodicals Room and at the following url:

<http://www.jcjc.edu/studentpolicies/docs/electronicusepolicy.pdf>

Wireless Internet access is available within the library.

Other Regulations

The library reserves the right to inspect any packages leaving the building. If the security gate alarms as you enter or exit the library, please go to the circulation desk.

Since a misshelved book is a lost book, students are asked to place library materials on book trucks located throughout the library. Trained personnel will then reshelve these items.

Night classes are asked to complete library work by 9:45 p.m.

CIRCULATION RULES AND PROCEDURES
