SUBJECT: **Tryout Material For 1997 All-State Band**

Enclosed is the tryout music for the 1997 clinic band. The BARITONE HORN has one example in TREBLE and one example in BASS. As soon as Kyle sends me the examples for both treble and bass I will make copies and get them to each of you. You may wish to make the necessary transpositions for your particular situation, you'll be able to get it to your student quicker.

Thanks for your cooperation in making the Winter Business Meeting go as smoothly as it did. I'll be getting the other information concerning clinic: Tryout Date/Time, audition personnel, housing, and etc., as quickly as possible on returning from the holidays.

Have a Safe and Happy Holiday and a Prosperous New Year.
