FALL MEETING MINUTES
SEPTEMBER 11, 1998**

PRESIDENT: Gary Sheppard
VICE PRESIDENT: Naz Rhodes
SECRETARY: David Dueitt

WELCOME AND INTRODUCTION OF NEW MEMBERS

Meeting called to order by President, Gary Sheppard. New directors were introduced: Gary Sheppard introduced Dr. Darren Duerden who is now teaching at Holmes, and Tom Carson introduced Jarred Brownley who is teaching at East Central. Gary Sheppard introduced State Board commissioner for Activities Dr. Randall Bradberry.

COMMENTS BY DR. RANDALL BRADBERRY, COMMISSIONER

Dr. Bradberry discussed the half time duration rule. The time allocated for both bands to perform at half time has been changed from a total of twenty-six minutes to twelve minutes per band. This means each band has a total of twelve minutes to move onto the field, perform and clear the field. The football coaches are responsible for clearing the field prior to performances. The clock will be set on twelve minutes once the field is clear. When the first band has cleared the field, the clock will be reset at twelve minutes. This rule applies regardless of weather there is one band or two bands performing. The only exception is for half time homecoming activities.
