## GENERAL INFORMATION

### **Business Office Information:**

**Receipts for Payment of Fees.** The Business Office issues a receipt to the student for each payment made to the college. It is the student's responsibility to keep the receipt in safekeeping. The college cannot assume responsibility for a claim of remittance on account unless the claim is attested by a receipt.

**Unpaid Fees.** Students cannot receive an official transcript of credit earned and cannot register for other classes until fees are paid. A student may be dropped from their courses for not making a payment deadline. A student requesting an official transcript of credit, but has unpaid fees, must pay this balance in full using cash or credit card.

### **Credit Balances/Excess Credit on Account.**

Credit balances or balances with an excess credit are reviewed at the end of each term.

If the excess credit is a result of an over payment the over payment is refunded to the party that initiated the original payment.

If the excess credit is a result of any institutional funds that are non-refundable, such as academic, or service scholarships those scholarships will be reduced to reflect a zero balance on the student's account.

Refundable Federal and State funds are refunded to the student within 14 days of disbursement.

**Personal Checks.** Students, faculty and staff may not cash personal checks.

**Statements of Account.** Students are responsible for paying all fees, including room and board, on published due dates. Students may log on to the myJones at any time and view their charges, payments made, refunds, financial aid and scholarships awarded. Students needing itemized statements of charges and fees must notify the Business Office and such statements will be provided.

**Refunds on Account.** Refunds on student accounts are issued on Wednesdays and Fridays. Refunds are distributed by a third party organization. The default method for a student to receive a refund is a paper check. This check is mailed from an outside location other than Jones County Junior College. JCJC is not responsible for how long it takes for a student's mailed refund to reach them. Students may elect to have their funds electronically drafted to their bank account, or receive a debit card with the electronic funds. Each of these methods are typically much quicker than the mailing of a paper refund. A student can sign on to [www.moneynetworkedu.com](http://www.moneynetworkedu.com) to select a refund method. To check available card balances

you may log on to [www.moneynetworkedu.com](http://www.moneynetworkedu.com). Any student who has not paid all fees due must apply any refunds to their account.

**College Property.** A charge will be made to anyone using school equipment and failing to return it. Periodic inspections of dormitory rooms will be made, and the occupants of the room must pay for any missed or damaged property.

**Personal Property.** Even though precaution is taken to maintain adequate security, the college cannot assume responsibility for loss or damage to student possessions. Students are encouraged to carry appropriate insurance to cover such losses.

**Bobcat Bucks.** The JCJC OneCard ID is more than just an ordinary ID card. The OneCard lets you buy on the fly with Bobcat Bucks. Simply deposit money onto the card and use it wherever the OneCard is accepted (Campus Bookstore, Cafeteria and select Vending Machines). The OneCard lets you get what you need fast. It works just like a debit card for cash-free purchases on campus. And there is NO monthly fee! Come by Student Accounts and purchase some Bobcat Bucks for your OneCard. You can find the OneCard policies on the Jones web site at <http://www.jcjc.edu/onecard>

**THE BOARD OF TRUSTEES RESERVES THE RIGHT TO CHANGE ANY OR ALL FEES WITHOUT NOTICE.**
