REFUND/WITHDRAW POLICY

It is the student's responsibility to withdraw officially. Refunds of fees are computed according to the date the student personally contacts the Student Success Center to complete the withdrawal process or the date the student drops their courses themselves online, **not the last day of class attendance**.

Students must withdraw from a course by the first day of class in order to receive 100%.

Requests for exceptions because of extenuating circumstances such as illness or death must be submitted in writing to the Business Office. An administrative committee will review the request, and the student will be notified as to whether or not an exception to the refund policy can be made. The college will not refund fees originally paid by check until the check has successfully cleared the student's bank.

Residence Hall Fees. Room and Board fees are not refundable.

Registration Fee. This fee is not refundable.

Laboratory Fee. Lab fees may be refunded if a student officially withdraws from a laboratory course by 05/29/18 during the first four-week term; by 07/09/18 during the second four-week term; by 05/28/18 during a nine-week term; or by 05/29/18 during an online session.

Payment of Fees. Balances are due before the final for each session of the summer term.

Senior Citizens. If space is available, senior citizens over the age of 65 may enroll in courses without paying registration or general fees. However, any applicable lab fees and/or course material fees must be paid. Information concerning this program may be obtained from the Deans' Office.

GENERAL INFORMATION

Receipts for Payment of Fees. The Business Office issues a receipt to the student for each payment made to the college. It is the student's responsibility to keep the receipt in safekeeping. The college cannot assume responsibility for a claim of remittance on account unless the claim is attested by a receipt.

Unpaid Fees. Students cannot receive an official transcript of credit earned and cannot register for other classes until fees are paid. A student may be dropped from their courses for not making a payment deadline. A student requesting an official transcript of credit, but has unpaid fees, must pay this balance in full using cash or credit card.

Personal Checks. Students, faculty and staff may not cash personal checks.

Statements of Account. Students are responsible for paying all fees, including room and board, on published due dates. Students may log on to the JCPortal at any time and view their charges, payments made, refunds and financial aid and scholarships awarded. Students needing itemized statements of charges and fees must notify the Business Office and such statements will be provided.

Refunds on Account. Refunds on student accounts are issued on Wednesdays and Fridays. The Business Office no longer issues refunds directly. For more information on the new refund method please visit the following webpage at <http://www.jcjc.edu/refunds>

College Property. A charge will be made to anyone using school equipment and failing to return it. Periodic inspections of dormitory rooms will be made, and the occupants of the room must pay for any missed or damaged property.

Personal Property. Even though precaution is taken to maintain adequate security, the college cannot assume responsibility for loss or damage to student possessions. Students are encouraged to carry appropriate insurance to cover such losses.

Bobcat Bucks. The JCJC OneCard ID is more than just an ordinary ID card. The OneCard lets you buy on the fly with Bobcat Bucks. Simply deposit money onto the card and use it wherever the OneCard is accepted (Campus Bookstore, Cafeteria and select Vending Machines). The OneCard lets you get what you need fast. It works just like a debit card for cash-free purchases on campus. And there is NO monthly fee! Come by Student Accounts and purchase some Bobcat Bucks for your OneCard. You can find the OneCard policies on the Jones webpage at <http://www.jcjc.edu/studentervices/onecard.php>.

THE BOARD OF TRUSTEES RESERVES THE RIGHT TO CHANGE ANY OR ALL FEES WITHOUT NOTICE.
