Pass/No Pass Grading Option (COVID-19 Spring 2020 Only)

In response to the unusual and challenging circumstances that instructors and students are facing due to the COVID-19 pandemic, Jones College has approved the following changes for the spring 2020 semester.

- The last day to withdraw from a Spring 2020 course is Friday, May 1, 2020.
- Grades will be posted for student viewing on Tuesday, May 12, 2020.
- Students may choose to have their Spring 2020 courses graded on a Pass/No Pass (P/NP) basis based on the following:
 - P/NP grades will be converted as such, letter grades of A, B, C, or D will be converted to P while grades of F will convert to NP.
 - Students may choose the P/NP option for any course that ended after March 20, 2020.
 - The P/NP option will be available for individual student selection Tuesday, May 12 – Friday, May 15, 2020 in a link that will be provided to the student.

- Students who choose a P/NP grade option for any or all of their courses must select this option by May 15, 2020, at 4:00 p.m. If a selection is not made by this time, the letter grade will be recorded for the course.
- All Spring 2020 courses awarded the grade of P will earn credit towards academic progress, prerequisite and graduation requirements.
- Pass/No Pass grades will not be factored into a student's grade point average.
- Students who selected the Pass/No Pass option may elect to have their grade reversed to the standard letter grade. Students wishing to reverse the grade have until six weeks into the Fall 2020 semester to do so.
- Nursing and Dual Credit/Enrollment courses cannot be graded on the P/NP option.

NOTE: Electing the Pass/No Pass option may have future consequences for students. Professional programs such as Nursing and Medical schools may not allow grades of Pass/No Pass for their applicants, especially for science-based courses. Additionally, some universities may not recognize grades of Pass/No Pass for certain majors. Students should review the requirements of any future educational plans before making their decision.
