GENERAL INFORMATION

Receipts for Payment of Fees. The Business Office issues a receipt to the student for each payment made to the college. It is the student's responsibility to keep the receipt in safekeeping. The college cannot assume responsibility for a claim of remittance on account unless the claim is attested by a receipt.

Unpaid Fees. Students cannot receive an official transcript of credit earned and cannot register for other classes until fees are paid. A student may be dropped from their courses for not making a payment by the deadline. A student requesting an official transcript of credit, but has unpaid fees, must pay this balance in full using cash or credit card.

Personal Checks. Students, faculty, and staff may not cash personal checks.

Statements of Account. Students are responsible for paying all fees, including room and board on published dates. Students may login to MyJones at any time and view their charges, payments made, refunds, and financial aid and scholarships awarded. Students needing itemized statements of charges and fees must notify the Business Office and such statements will be provided.

Refunds on Account. Refunds on student accounts are issued on Wednesdays and Fridays. The Business Office no longer issues refunds directly. For more information on the refund policy please visit the following webpage <http://www.jcjc.edu/refunds>.

College Property. A charge will be made to anyone using school equipment and failing to return it. Periodic inspections of dormitory rooms will be made, and the occupants of the room must pay for any missing or damaged property.

Personal Property. Even though precaution is taken to maintain adequate security, the college cannot assume responsibility for loss or damage to student possessions. Students are encouraged to carry appropriate insurance to cover such losses.

Bobcat Bucks. The JCJC oneCard ID is more than just an ordinary ID card. The OneCard lets you buy on the fly with Bobcat Bucks. Simply deposit money on the card and use it wherever the OneCard is accepted (Campus Bookstore, Cafeteria, and select Vending machines). The OneCard lets you get what you need fast. It works just like a debit card for cash-free purchases on campus, and there is no monthly fee. Come by Student Accounts and purchase some Bobcat Bucks for your OneCard. You can find the OneCard policies on the Jones webpage at <http://www.jcjc.edu/student-services/onecard.php>.

THE BOARD OF TRUSTEES RESERVES THE RIGHT TO CHANGE ANY OR ALL FEES WITHOUT NOTICE.
